BISTRO WEST UNVEILS NEW PRIVATE ROOM AT
POPULAR CARLSBAD RESTAURANT

Venue Provides New Meeting Facilities for Adjacent West Inn & Suites Hotel

Carlsbad, Calif - - With the completion of a new private room, Bistro West now has the capacity to accommodate a variety of group gatherings in its new 750 square foot West Room located adjacent to the main dining room of the popular Carlsbad restaurant.

Designed to accommodate a variety of uses, the West Room features a water-filled bubble wall complete with a fully-programmable mood-setting light variations to create a distinctive feature within the main dining room.

“We wanted to be able to fulfill the variety of requests we receive for private gatherings at Bistro West and West Steak and Seafood by offering a room that could be easily transformed from a business meeting to a private cocktail reception or dinner party,” said Tom Bertrand, general manager at Bistro West. “We’re confident that Chef Eugenio’s creativity in the kitchen and ability to harvest fresh produce daily from our own farm coupled with the casual, yet elegant room design, will create demand for the West Room.”

Equipped with a 122-inch diagonal screen, ceiling mounted projector, and VGA and HDMI connectivity features all seamlessly hidden behind decorative panels, the West Room can accommodate up to 50 people for a business meeting or special occasion and up to 80 people at a cocktail reception. Adding to the ambience of the room filled with paintings from artist, Jerome Gastaldi is its own wine cabinet housing an extensive collection of wine from Bistro West's Wine Spectator award-winning list, including many international and California offerings.

"We're anticipating a huge demand from the West Inn & Suites business traveler as well as the local community who now has the ability to host a meeting or event in a beautiful room which can be transformed to fit their needs," says Kim Akers, vice president, West Hospitality.
