A TASTY TREAT FOR FIDO

Take your dog to the West Inn & Suites hotel in Carlsbad, Calif., and you can order tail-wagging treats from a new room service menu just for dogs. The Canine Cuisine lineup includes a choice of a deboned rotisserie chicken, a juicy beef and bacon burger, chopped meatloaf shepherd’s pie, and mixed veggie burger with rice and potatoes. Chefs at the hotel’s Bistro West prepare the gourmet dishes using fresh ingredients from the property’s three-acre farm. Dogs receive a special treat at check-in, pet aromatherapy sprays to relax, and size-appropriate doggie bowls and beds. Rate: \$209 per night, includes deluxe accommodations, one Canine Cuisine entree, cleaning fee, and other amenities. *760-448-4500, www.westinnandsuites.com*
